Work Experience

Customer Support and technical
at Computer Store

2019 - 2022

I worked for 1 year in front of the public serving
internship clients in a computer store, later they

hired me for two years as a technician due to my great potential.

Hardware technician as a hobby

Since I was little I have been used to fixing any electronic device, computers, screens, phones...

Junior Web Developer at Indie Studio

I have worked on small web projects with very good performance.

Education

High-Level Technical Degree from Private High Scool

2022 - Present

I am studying a Higher Degree in Multiplatform Application Development, a Higher Degree in Web Application Development and a cybersecurity specialization.

English titles A1 - A2 - B1 - B2 from University of Seville

The English language is very useful for communication and because it is a standard in computing. In the future I would like to invest more time in continuing to improve since my pronunciation is still not very good.

Medium-Level Technical Degree
from IES. High Scool

2019 - 2021

Technician in microcomputer systems and networks.

Science and Mathematics from IES. High Scool

2013 - 2018

Secondary science education, since I was little I have liked mathematics and I have used it to optimize computers.
